Dear Randy,

This newsletter contains some very important information about your health or the health of a friend or loved one. Feel free to pass this newsletter on to others.

Which Brain is Yours?

Must Read!

- **Chronic muscle pain eliminated in minutes!**
- **Anxiety problems solved!**
- **Fatigue reduced!**
- **Fibromyalgia cured?**
- **Numbness and tingling gone!**

If this sounds too far fetched you need to read on.

Hyperventilation Syndrome is a reality that someone you know has!

The picture above is measuring glucose levels in the brain and when you
